Dear Head Teacher

**Vita Et Pax Preparatory School**

I refer to the remote review by the Independent Schools Inspectorate that took place on 16 March 2021.

I am pleased to note that all of the regulatory standards that were checked are likely to be met and I confirm that there is no further action required of the school by this Department.

The ISI will inspect your school again in due course according to their regular cycle of inspections. In the meantime, I would like to thank you for your help in this matter.

Yours sincerely
