10 th	Yearbook forms due
11 th	18:30 Year 6 Leavers Service and celebrations
11 th	NO TEACHERS CLUB
12 th	14:00 Term finishes

Message from the Assistant Head Teacher

After a lovely sunny bank holiday weekend, it was back to school on Tuesday for another week of exciting learning.

Some of the classes have made the most of the sunshine by bringing their learning into the outdoor environment. In Maths there has been the opportunity to explore, mass, measurement and capacity through a variety of practical activities.

Sally Simmonds, Road Safety officer for Enfield came in and spoke to the whole school about the importance of road safety. The Junior Travel Ambassadors (JTA's) delivered a short but very effective presentation on the Green Cross code. Their hard work and diligence led by Miss Gillman has enabled us to aspire for the gold accreditation for the school travel plan again this year.

We would like to take this opportunity to thank Miss Gillman and our JTA's, Emily Westmore, Rocco Manzi, Grace Gakhar, Erin O' Reilly, Aviana Petrou and Laila Tomaso for their commitment in promoting the awareness and importance of road safety in our school community.

On Thursday the whole school gathered together at Christ the King Church to celebrate the Feast of the Ascension, when Jesus left the world to return to his Father in heaven. This links with the current RE topic of Pentecost in which the children have learnt about the gifts of the Holy Spirit. They have tried to think about ways in which they can live their lives and follow in Jesus' footsteps.

Our children were a credit to us at Mass, they sang beautifully, listened and responded well and many of the parishioners' present were very impressed. Well done everyone!

I wish you all a very pleasant weekend

Mrs. Archer

Headteacher Awards

Nursery	Trixie & Luke
Reception	Aidan & Isabella
Class 1	Aravind & Nicole
Class 2	Orson & Amelie
Class 3	Ava O & Erin
Class 4	William & Alice
Class 5	Emilia & Taaraa
Class 6	Zara & Daniella

Lambert Lining up Cup

This week Year 1 has been awarded the Ben Lambert Lining up Cup, having accrued the most points this week.

Road Safety Assembly

Wrap Around Care

After our Easter break we in Wrap Around Care have been enjoying the sunshine outside. It's been fun playing football, hoop games and having the whole playground to ourselves! Inside, we have made butterfly bracelets, fans and stained glass animals for the window. We've even managed to squeeze in a little homework and reading, in between all this fun. Thank you too Chef Keith for our delicious snacks and for the ice lollies when it was hot!

Mrs Aurelius

In Maths we have undertaken a variety of practical activities estimating then measuring mass, length and capacity. We have even managed to find out the capacity of solid objects by measuring the volume of water they displaced.

Mr M Noone

Spain

Señora Torres went to Spain during the Half Term to deliver the letters that the Y6 have written to their partners at Santa Barbara School in Cordoba.

“I met the Spanish children and they were very happy with the letters our Vita et Pax students wrote. We are now looking forward to receiving their replies. Here are some pictures of the school. The children at Santa Barbara School showed me around. I showed them our web page and explained a bit about our school here. They were very happy and polite.” It was a great experience handing the letters from our students and explaining a bit more about each child.

Our Vita et Pax children viewed all the pictures and put a face to their partners in Spain”

Senora Torres

Linden Bear

Emre Holmgren was awarded the Linden Bear today for using the tube to school.

Thought Of The Day

*The children are cordially invited to
attend the Vita et Pax Royal Wedding
celebration day on
Friday 18th May 2018*

*The day will consist of a royal street party and royal
activities.*

*Please wear formal dress for the occasion as if you
were invited*
