

Vita et Pax
PREPARATORY SCHOOL

Headteacher | Allana Gay

Following our most recent inspection, the inspectors found historic issues dating back to 2017.

Needless to say, the current leadership of Vita et Pax had already identified and corrected these issues since new leadership was introduced into the school. Nonetheless, the lead inspector determined it required reporting as action points.

It is disappointing that ISI have disregarded the representations made regarding the inaccurate assessment of school operation. We are obliged to publish their report on our website and do so under protest.

Yours sincerely

Miss Allana Gay | Headteacher
